PROGRAM FEATURES

Expression Lab

A creative space where children explore colors, rhythms, and melodies, expressing imagination through hands-on activities.

Drama lab

A dynamic zone where storytelling blends with drama, letting children step into characters, and build communication.

Scholastic Lab

An engaging hub that nurtures curiosity, foundational literacy, numeracy, and problem-solving through interactive activities.

Reading Nook

A cozy corner filled with age-appropriate books for all interests. Fosters a lifelong love for reading and language development.

Movement & Play

A fun zone for running, jumping, and balancing that builds strength, coordination, and teamwork.

Sensory Area

A hands-on zone with Montessori tools that sharpen focus, strengthen hand-eye coordination, and enrich tactile learning.

“ The first 8 years have so much to do with how the next 80 turn out.”
